-

TEACHING EXPERIENCE

Supplemental Instruction Leader and Mentor | Human Biology 205 Fall 2017
The Learning Center at California State University, Long Beach Spring 2018

- Led five one-unit, credit/no-credit semesters in Human Biology 205 to increase student retention in traditionally difficult courses by providing peer-learning experiences to improve understanding of subject contents. Fall 2018
- Administered engaging activities to challenge top students while supported skills and strengthened the motivation of students who are struggling with subject contents. Spring 2019
- Tracked students' progress in the target lecture, assigned grades, and guided students' remediation in reaching their academic goals. Fall 2019
- Implemented lesson plans to aid students to approach challenging materials to foster critical thinking through strategic questioning and facilitated hands-on learning activities to promote a deeper understanding of course materials.
- Mentored and guided peers in the supplemental instruction program.

PROFESSIONAL EXPERIENCE

Speech-Language Pathology Assistant Student Intern August - December 2019
Frank Vessels Elementary School at Cypress School District

- Worked with students from preschool through sixth grade for a wide range of speech and language concerns.

- Led push-in instruction, including AAC literacy lessons.
- Prepared and implemented therapy plans according to students' goals.
- Collected data on students' progress and language samples.
- Worked with students from moderate to severe classrooms and general education classrooms while implementing positive behavior supports with all students.

Student Recreation Assistant

Park and Recreation Department, City of Lakewood

November
2015 -
present

- Led small groups of leisure activities to support the development of communication and social skills, hygiene habits, and chaperoned mini-trips to local stores for individuals with an array of disabilities to experience various job areas for the **Adaptive Recreation Program**.
- Served as a certified coach in soccer, softball, bocce, and basketball and facilitated practices for **Lakewood's Special Olympic Program**.
- Created a friendly environment to provide year-round athletic programs and leisure opportunities for individuals with an array of disabilities.

VOLUNTEER EXPERIENCE

Speech, Language, and Hearing Class Volunteer

Dai 9 Musashimurayama Elementary School, **Tokyo, Japan**

June - July
2019

- Assisted Japanese teachers and SLPs in gathering the materials needed for therapy plans and participated in sessions to build the confidence of children with various speech and language concerns.
- Partook in various support groups for parents and their children with a stutter, hearing impairments, and various speech and language concerns.
- Learned about the international and inter-professional perspectives on a number of academic subject areas.

Medical Speech, Language, and Hearing Student Exchange Volunteer Group

Department of Speech-Language Pathology
California State University, Long Beach

November -
February 2019

- Collaborated with peers in gathering ideas for American culture activities, listing food locations and prices, and compiling names of phone applications currently used in the U.S. for SLP students in Taiwan.
- Shared SLP curriculum and snacks with students from Taiwan to discuss similarities and differences across countries.
